The information was submitted for publication on 9 October 2018, 7.00 am CET.

Kungsleden is a long-term property-owner that provides attractive, functional premises that enrich people's working days. We create value by owning, managing and developing offices and other commercial properties in Stockholm and Sweden's other growth regions. A large portion of our properties belong to attractively located clusters where we also engage in the development of the whole area. Kungsleden's goal is to deliver an attractive total return on our properties and for our shareholders. Kungsleden is listed on NASDAQ Nordic Large Cap.
