## **Marie Mannholt leaves Kungsleden**

**Marie Mannholt, Head of Communications and Marketing and member of Kungsleden's management team since 2014, has chosen to leave her position.**

“Over the years, Marie has led several strategic transformation projects within communications, IR, marketing and real estate concepts and has, in doing so, contributed to the repositioning of the whole company. Her expertise, experience and inspirational leadership style have been very valuable, and I regret that she now chooses to leave”, says Biljana Pehrsson, CEO, Kungsleden.

“Being involved in transforming Kungsleden into the company it is today – a long-term, customer-oriented, high-quality and financially stable property company, has both inspired me and contributed to my development. Kungsleden has made a fantastic journey. After five and a half years I feel it is time for me to open up to new challenges”, Marie Mannholt comments.

Kungsleden is a long-term property-owner, and our vision is to create attractive and sustainable places that enrich people's working days. We create value by owning, managing and developing offices and other commercial properties in Stockholm and Sweden's other growth regions. A large portion of our properties belong to attractively located clusters where we also engage in the development of the whole area. Kungsleden's goal is to deliver an attractive total return on our properties and for our shareholders. Kungsleden is listed on NASDAQ Nordic Large Cap.
